Girlan Immobilien:
All real estate services from one source

Girlan Immobilien is a leading German specialist for retail and commercial properties. On behalf of institutional and private owners and investors we provide all relevant real estate services for shopping centers, department stores, mixed urban districts, hotel and office properties, retail parks, parking and commercial buildings.

Our clients benefit from all services from one source, many years of experience, unique know-how and our owner perspective. Thanks to tailor-made property and service concepts, interdisciplinary teams and site-appropriate approaches we find the best solution for your business!
